

Parking at Urbana Adult Education

We are located between Main Street and University Avenue, just North of Downtown Urbana.

This map shows where our free parking is located in City of Urbana Lot 25, which is between the Boneyard Creek Bridge and the railroad tracks.

Use the Race Street or Central/Griggs Street entrance.

Student parking is in the back part of City of Urbana Lot 25 behind the signs “Permit Parking Only Beyond This Point.” There is also a sign as you enter from the Central/Griggs entrance. There is a walkway from the parking lot to Griggs Street.

You will need to tape the permit below (cut on dotted line) in your back window or you will get a parking ticket from the City of Urbana. Do not back into the parking space; Urbana only allows “Head In Parking” in public parking lots and the City of Urbana will issue tickets.

There is NO PARKING for students across Race Street, south of the building, or in “RESERVED” spaces along Griggs and in Lot 25. These spots are reserved for School District Staff from 5:00 am until 5:00 pm.
